CLIENT SATISFACTION:
A VICTORY OUTSIDE THE COURTROOM

Check out these recent five-star Google reviews!

“They are very professional, fair, and great at getting justice. I want to give a big shining light to Spencer Speed and Ms. Scarlet. They were there every step of the way and kept me informed. Mr. Spencer fought for me ‘til the end and got me the best possible result.”

- Justin Nicholson

“I had a very good experience working with this law firm, especially with my direct point of contact, Crystal Cavazos, who was always very helpful and responsive. This was no small task given how many plaintiffs were involved.”

- Mitch Clayman

“They have been on top of everything. Especially Crystal Cavazos has been a wonderful help on every step of the way 'til the end of the case and even some time after the settlement of the case date... I am very happy and pleased with the service and results we received.”

- Ketan Thakkar

I had a auto accident and didn't know where to go and picked Abraham and Watkins to represent me. I couldn't have picked a better firm. They make sure you are in the loop every step of the way from the beginning to the end. Spencer speed does a great job in breaking things down so you can understand and they take care of their clients. I recommend all my friends and family go to Abraham and Watkins. Thanks for everything.
